

Aconbury & The Birches Community Website

A new Community website has been launched, covering Aconbury, Little Birch and Much Birch.

The idea came about as an extension to the highly popular Birches Newsletter. The work on it is voluntary and is happily supported by Aconbury Parish Meeting and Little Birch Parish Councils.

This is the new place, to chat, argue, find out, query, plan, advertise, sell, give, launch, write - whatever! It's yours, so if you want to use this site, just ask!

The site can be found at <http://aconburyandthebirches.org.uk>
