A Newsletter for the Villages of King's Thorn, Little Birch, Much Birch & Aconbury – SEPTEMBER 2011– First published in 1977

## **BETTER BROADBAND FOR HEREFORDSHIRE**

Better Broadband will make a massive difference to businesses, communities and households in Herefordshire. Many people have no access to broadband or very low speeds which makes accessing services, making the most of business opportunities or simply for entertainment very difficult. There is a risk that more rural areas in the country will lose out on future opportunities as there is more and more reliance on the internet.

To address this in-balance Herefordshire, along with Gloucestershire has been awarded one of the 4 national pilots to deploy better broadband in rural areas. The first phase of the deployment will be in the southern areas of Herefordshire and the Forest of Dean area of Gloucestershire, for then wider delivery to the rest of the counties. More details of the project can be found at the following site:- [www.herefordshire.gov.uk/broadband](http://www.herefordshire.gov.uk/broadband).

As part of the project Faster Broadband for Herefordshire is working with Herefordshire Council, Town and Parish Councils to gather as much local information as possible. The plan is to create a network of local champions that will be able to create a picture of local

need and shape the project going forward. A questionnaire will also be circulated later in the year with the data used to support the broadband requirements in the county going forward.

### **SUBSIDISED BUS SERVICE CONSULTATION BY HFDC**

The official report into this consultation has now been published and HFDC Cabinet has made its decisions.

Thankfully, 'our' buses, 37, 38, 411 are unaffected in terms of frequency, but there may be some changes to the timetables in the future. This newsletter will publish any changes if notified.

For a summary of the proposed changes across the County, go to [muchbirchparish.org.uk](http://muchbirchparish.org.uk) and click on Local News.

#### **REPORT OF THE LITTLE BIRCH PARISH COUNCIL MEETING HELD ON WEDNESDAY 6<sup>TH</sup> JULY 2011**

An interest was declared as one of the Planning Applications discussed was a Parish Councillor's residence.

Minutes of the Annual Meeting held on 11th May 2011 were read and signed as a true record.

#### **Matters Arising**

Village Hall – A full report to be given during the next Parish Council Meeting.

Parish Lengthsman Scheme & Parish Initiative – Waiting for the results of a walk around the Parish.

Community Led Plan – Representatives from the Steering Group informed the Parish Council that the Questionnaire is currently being developed and agreed with Herefordshire Council. Other concerned parties to be notified before issuing in September.

Parish Field – A further day's clearance work has been organised for Friday 29th July.

Localism Bill – The Chairman voiced his concerns that the Parish Council had not been consulted on the creation of localities and he was assured by both Cllr. Hamilton and Cllr. Powell that localities are not linked to the Localism Bill. Cllr. Hamilton voiced that he was not happy that his Ward had been divided into three localities and would encourage any feedback on the proposals for localities to Herefordshire Council.

Participatory Budgeting – Mr. M. Morley informed the Parish Council of this subject after attending a HALC meeting.

Community Transport and Public Transport Consultation – Clerk to send agreed comments to Herefordshire Council voicing its concerns about the removal of subsidies for the 411 and 38 routes.

**County Councillors Update** – After being welcomed by the Chairman Cllr. Hamilton gave an outline of his duties especially to promote good communications between himself and the Parish Councils in his Ward. He voiced that he can be contacted at any time and gave details of surgeries to enable issues to be tackled early. Cllr. Hamilton informed the Parish Council that he is especially concerned with Highways issues and requested a briefing on the Parish Plan. The Mobile Library service was discussed and other current responsibilities that include being a cabinet support member. Mr. M. Morley asked a question on the status of the Local Development Plan (Ldf) and Cllr. Hamilton responded that there was a paper going to

cabinet at the end of July which will lead to a public document.

#### **Broadband Presentation by Councillor Graham Powell**

Cllr. Powell handed out an information pack on this issue which he also summarised. Cllr. Powell talked about the scope of coverage and timescales with an education program to monitor the need for broadband which will culminate in surveys to demonstrate to suppliers, the demand. A local champion would be advantageous to promote this topic and the Chairman was to contact a local resident to see if they would adopt this role. As broadband is discussed in the Parish Plan Questionnaire, any responses that could support this issue to be forwarded to Cllr. Powell.

Ordnance Cottage – After a discussion Cllr. Hamilton offered to talk to the resident. The Parish Council stressed that it wanted assurance that the Highway was safe even if the wall collapsed.

#### **Planning**

DMS/111279/F – Oakfields, Hoarwithy – Installation of solar photovoltaic panels on an agricultural building returned with no objections

DMS/111189/F – Shirley Cottage, Little Birch – Proposed two storey extension and change of use of land – Returned with comments that change of use of land should only relate to the land used for the extension.

DMS/111150/F – Bromley Court – Hoarwithy – Construction of one new poultry unit to house broilers – returned with

comments querying the run off.

### Any Other Business

CSO. F. Witcher reported no crime for the area and recalled a local good result incident where a scrap metal merchant was stopped after a call and hopefully deterred with an 'on the spot' fine for not having a Waste Carriers License.

Date of Next Meeting – **Wednesday 7th September 2011**

Please contact the Parish Clerk with any issues concerning Little Birch Parish. Contact details are: Liz Callwood 01981 - 540081 or by e.mail to [lizcallwood@googlemail.com](mailto:lizcallwood@googlemail.com)

### CATHEDRAL CHORISTERS

Do you know of a boy, aged 6–8 years of age, who might be interested in joining the internationally-renowned Hereford Cathedral Choir? As well as singing in the cathedral, the choir regularly tours (South Africa last October), broadcasts on TV & radio (BBC Radio 3 in November), performs in London (Guards' Chapel in November) and takes part in the world-famous Three Choirs Festival.

It may be your son, or equally it may be a grandson, nephew or the son of friends – sometimes a gentle nudge of the parents might be needed! If a parent or guardian would like an informal discussion about the opportunities, Geraint Bowen, the director of music, would be delighted to hear from you (01432 374238), [organist@herefordcathedral.org](mailto:organist@herefordcathedral.org) or visit [www.herefordcathedral.org](http://www.herefordcathedral.org).

All choristers receive generous scholarships to the cathedral

school, in some cases, **fully-funded places can be made available.**

---

### **YOU ARE WANTED!**

The Halfway Community Theatre Group is in need of singers of the male variety. The ability to read music is not essential but having fun and a good sense of humour is.

If interested, please ring 01981 - 540502 Sally or 01981 - 541202 Shirley for more information.

---

### **KING'S THORN & LITTLE BIRCH GARDENING CLUB**

### **HEREFORDSHIRE HILL FORTS**

Little Birch and King's Thorn History Group have arranged a talk on Herefordshire Hill Forts on **Thursday September 15<sup>th</sup>** in Little Birch Village Hall at **7.30pm.**

This should be a fascinating talk helping us to appreciate life in the Iron Age in this area and in particular in Aconbury fort.

We are fortunate in having Ruth Richardson to talk to us. Ruth was formerly archaeology lecturer at the Sixth Form College and regularly brought her students to Aconbury.

Entry will be £2.50 which will include light refreshments.

**ST. MICHAEL'S HOSPICE  
FABULOUS 5TH BIRTHDAY FOR  
MIDNIGHT WALK!**

Ladies, join in the St Michael's Hospice Venus Challenge and help raise vital funds for patients with life-limiting illnesses. This is the biggest and most fun event of the year, so grab your girlfriends, raid your fancy dress box and don't miss out!

Entry is £17 per person if you register in advance or £20 on the night; there are team prices available and you can enter securely online, just visit [www.bit.ly/Venus2011](http://www.bit.ly/Venus2011).

So, keep **Friday 16<sup>th</sup> September 2011** free. **Registration starts at 9:30pm and the walk begins at midnight following a warm up.** Men can take part by marshalling the route. **MUCH BIRCH W.I.**

Much Birch WI meets on the third Tuesday of the month at 7.30 pm in Much Birch Community Hall.

On 20<sup>th</sup> September Alison Clarke will be telling us about The History of Kings Thorn.

Potential new members and visitors are always welcome.

May I take this opportunity to thank all the people who support us by buying books at the Village Market. All the money from these sales goes towards our 2011 charities, The Herefordshire Eye Scanner Appeal and Talking Newspapers.

For more details about MBWI please contact either Kath,

01981 - 540382 or Caroline,  
01981 - 540422.

**MUCH BIRCH VILLAGE MARKET**

The market is held in Much Birch Community Hall on the 4<sup>th</sup> Friday of each month between 2.30 pm and 4.30 pm.

The September market is on 23<sup>rd</sup>.

Hopefully, all the usual producers will be there: Moor Meals, the Squeaky Pig, Llandinabo Farm Shop, Mr. G's Jams and Preserves, My Cocoa, Fair Trade, Julie with bread etc. and Castle Cheese.

There should be a good variety of Crafts and, of course, Much Birch WI will have their book stall, raising money for their 2011 charities, The Hereford Eye Scanner Appeal and Talking Newspapers.

Over the years we have had various vegetable producers attending. However, as is to be expected in a rural area, many people grow their own vegetables. Once again we have had calls for a vegetable producer and, at the time of going to press, Caplor Farm, Fownhope, have agreed to come. However, if we don't buy from them they will cease to attend and we will, once again, be without a veg producer, so **IT'S UP TO US!**

Hopefully Dan will be back from his summer work and will be ready to sharpen tools etc. ready for those late summer/autumn jobs in the garden.

As usual refreshments can be bought in aid of McMillan Cancer Support.

For further details please contact Kath on 01981 540382

**LETTER**

We are very proud to celebrate another year of excellence of our daughter, **LUCY GODDING** who has once again received the highest of honours at St. Andrews University by being congratulated by the Dean of the Faculty of Arts, professor Roy Dilley. Lucy will be listed on the Deans' list of excellence for her hard work as an honour to high intellectual achievement across the entire spread of a student's modules in a given year. Lucy has spent the summer working in Corfu as a travel rep enjoying the sun and using her languages, French, German and Russian.

Lucy will return home in August with enough time to arrange her trip to Russia to study next year. I have just spent a week of special girlie time with her in Corfu as I can't keep up with her schedule these days and time is precious for me and the family. We are very lucky in this village to have such talented youngsters as John Gwinnett who has achieved accolades, and we have an enormous wealth of talent in this village.

We should celebrate this!

Elaine Godding

**LOCAL NEWS**

A very warm welcome is given to **CHARLES** and **PATRICIA HOLMAN**, who have moved into 'Tremezzo', near Much Birch School and to **LUCINDA THOMAS** and **GEORGE WEBB** and dog.'Chunk', who have moved to the new house, 'Badgers Sett', near the bottom of Barrack Hill. We hope that they will quickly settle in this community and be very happy in their new homes.

Congratulations are extended to **LISA** and **JAMES GOULD** on the birth of their second child, **ELLA JANE**, who weighed in at 9lb 2oz. Needless to say, **RONAN** was very excited to have a baby sister and had been saying Ella, Ella weeks before the arrival and so he has got his wish. Mother and daughter are doing fine.

On 6<sup>th</sup>. August, **ANNA PUGH**, daughter of Janet and Alan of Parish Lane, was married to **SHAYNE WILLIAMS** at Little Birch Church. We wish them a very happy future together.

**WILLIAM WHITE**, son of Deidre and Michael of 'Brookhurst', Lower Wrigglebrook, has been awarded a bursary towards his music studies at Monmouth. William is an outstanding clarinetist and as previously reported has played with well known orchestras in Birmingham. Congratulations William!!

A few weeks before her 96<sup>th</sup> birthday, **JOSEFINA JONES** of Sunnybank, Little Birch passed away peacefully at 'Westbank', Ross on Wye, where she has been cared for over the last 5 years or so. A Celebration Service for her life took place at Little Birch Church on

Thursday, 14<sup>th</sup> July and was conducted by Rev. Mark Johnson.

There were many musical items during the Service as many of the family are accomplished musicians. At the beginning, grandson, Sebastian Power, played the Prelude to Suite No.1 by JS Bach on the Cello, and Ella Phillips sang 'Amazing Grace', unaccompanied, most beautifully. The eulogy was given by son in law, Murat Basaran. Josefina was born of Spanish parents and came to Hereford to look after a colony of refugee children brought here during the Spanish Civil War. She met her late husband, Jack, and shortly after, they were married. Soon after, they were off to Marseille, in the south of France, where Jack set up a small factory producing insecticides. The factory was destroyed at the beginning of World War 2 and Jack was imprisoned by the German Army. Josefina made her way to Bilbao, in Spain, where her first daughter, Josefina, always known as Fini, was born. Jack forged new identity papers and managed to escape to the Loire region. Although hunted by the Gestapo, he managed to live and work as a wood cutter and charcoal burner. After the war, The family was reunited in Marseille and a year later, they moved to Hereford. where Richard was born. London was their next home for a few years where Carmen and Lita were born. They were soon on their travels again to Spain, where Rose was born in Miranda del Ebro and John in Bilbao. The family were taken all over the continent by motor bike and

side car and many stories of their adventures of camping in the mountains have been told. When the children reached school age, the family decided to move back to England, finally settling in Little Birch. The story of their staggered return would fill a book. They set up a smallholding with chickens, and geese and garden produce. They sold eggs and produce, making them just about self sufficient. Richard was chief 'egg laying charmer' having been banished from the house to practise on the violin with the hens. Increased egg production paid for his lessons. Husband Jack was away working for Cooks Travel and Josefina worked extremely hard to look after her large family. At the age of 50, Jack decided to study for a degree and finally obtained a 1<sup>st</sup>. Class BA in Spanish and Portuguese at Leeds University and became a lecturer in languages at Leeds Polytechnic. Again Josefina looked after the family and continued working their smallholding. She could often be heard singing opera to herself and so it is not surprising that all the family are blessed with musical talents. Locally, we know that John had a band for many years and set up a recording studio. John and Toni's children travel the world playing in concert, but they all came home for Josefina's funeral. So we say farewell to a very hard working mother who always put the family first and courageously came through many adversities. Her body was laid to rest in the churchyard near to that of her husband, Jack. We send our sincere

sympathies to all the children and grandchildren. Donations were given to Christian Aid for the East Africa Food Crisis.

We are also sad to hear of the death of **JEAN LATHAM**, erstwhile of 'Capricorn', Wrigglebrook. Unfortunately, her husband, James, has also been in hospital but hopes to attend her funeral service at the Crematorium. A Service of Thanksgiving for Jean's Life will be held at Commercial Road Baptist Church on Tuesday, 30<sup>th</sup> August and a tribute will be given next month. Also the death has been announced of **JOHN WAINWRIGHT** of Hereford who was brought up in Little Birch and lived in Tump Lane for many years. We send to Florence and the family our deepest sympathy.

A number of friends have been in hospital recently but are now back at home and we wish them well in their recovery.

'A' level results will be known soon but not in time for this publication. Please let the Newsletter know when places at University and Further Education Colleges have been secured.

#### **WEST MERCIA POLICE NOTICES**

##### **101 is coming!**

101, is a new national non-emergency phone number for the police. It will be rolled out in England and Wales between July 2011 and January 2012. **101 is planned to go live in West Mercia on Monday 3 October.** The intention is to:

- Provide the public with a memorable number where

they can report crime and anti-social behaviour that does **not** require an emergency response.

- Reduce pressure on the 999 system, allowing us to prioritise the most urgent calls for help. Calls will be managed by West Mercia's call handlers in our Force Control Room. Look out for more information coming soon!

#### **CRIME TRENDS**

Between 7pm last Monday evening (8th August) and 10.00 the following morning, a compound was broken into at **Howton, Pontrilas**, and an orange Kaboota RTV off road vehicle was stolen, along with a Husqvana petrol strimmer and other tools.

A workshop behind a house in **St Owens Cross** was broken into between 6am on Tuesday 9th August and 10am on Wednesday 10th August, and items including an 'Oxford' welder and helmet, Stihl power saw with booster charger, socket sets and an air compressor were taken.

A garden shed was broken into in **Kingsthorpe** sometime between Sunday 7th and Tuesday 9th August, and two Husqvana chainsaws and a Stihl brush cutter were stolen.

Overnight on Wednesday 10th and Thursday 11th August a shed was broken into at a property in

**Peterchurch**, and a number of Makita and Hitachi power tools were stolen.

Overnight on Thursday 11th and Friday 12th August a house under construction in **Clehonger** was entered, and four Makita cordless drills were stolen.

At around 10pm on Friday 12th August, the occupants of a white camper type van were caught stealing wood from a farm in **Craswall**. Only part of the registration number was taken - N952\*\*\*.

A premises in **Fir Tree Lane, Rotherwas** was broken into overnight on Friday 12th/Saturday 13th August, and three valuable diagnostic laptop computers were taken, but later found dumped near the perimeter fence to the building.

Suspicious Vehicles

A white Ford Fiesta VK51HM\* was seen twice in **Kentchurch** acting suspiciously. It was seen on Thursday 11th August by a householder, and then at about 4.30pm the following day, the driver of this vehicle was caught snooping around in the gent's car port. When challenged the male said he was looking for a scrap car. The male is described as in his 50's, scruffy looking, with a Welsh accent. We'll be in touch!

At around noon on Sunday 14th, two males were found

poking around at the rear of a commercial garage premises in **Allensmore**. The two were described as very dirty, under 30, with southern Irish accents.

They were in a white Ford transit tipper with a cage, with Irish plates similar to 07D13894.

Suspicious Calls, Scams etc

A lady in St Weonards had a call earlier today from a male purporting to be from 'Hereford Police' offering a service relating to gas boilers (?), demanding a fee to come 'on board'. The lady terminated the call, we have made enquiries but the number given is not traceable.
