Local News

It is good to hear that Andy Holley who had an horrific motorcycle accident some 8 months ago, is able to move one leg slightly and is feeling slight pain in the toes of the other foot. He is at home and being extremely well cared for by his wife, Katy, (nee Williams, daughter of Anita and Graham Williams, of Little Birch Road, King's Thorn). Andy keeps in very good spirits and we wish him well on his road to recovery.

Some older residents will remember Andy's grandfather, George Holley, husband of the late Hilda (nee Andrews). George has been a resident of The Weir Nursing Home for about 6 months and had suffered a stroke a few weeks ago. Sadly, after a second stroke he passed away at the age of 97. He had lived in Much Dewchurch all his life and marvelled that having served in the forces during WW2, he had reached this great age. "I just don't know how I have got here" was a favourite reply when asked how he was keeping. The funeral service will be held at St. David's on March 27th. Our sincere condolences are extended to daughters, Katherine and Julie and their families and to daughter in law, Eileen.

Olivet Lewis is making slight progress in Brockhampton and can move around more easily with a battery-powered wheel chair. She sends her best wishes to everyone in the community.

Andy Lowe recently underwent a 56th. operation on his foot and hopes that this will be the end of operations for some while. We send our best wishes to him and wife, Lesley, who has looked after Andy so well.

John Bryant BEM

The bunting decorated Little Birch Village hall for the second time in nine months-firstly for the Queen's diamond Jubilee and then for the presentation of the British Empire medal to John Bryant. The sun shone through the vases of daffodils on the window sills making it an even more special occasion.

After the sponsors had told us something of his help to so many over the years, Lady Darnley, Lord Lieutenant for Herefordshire the Queen's representative, made a moving speech and presented John with his medal. John said a few words including thanks to his wife Betty for her help and support and she was presented with a

basket of flowers.

A toast was drunk to the Queen followed by three hearty cheers for John before the audience of around 90, comprising friends and representatives the organisations he belongs to, sat down for tea. Lady and Lord Darnley stayed on to chat to many people before departing. Many villagers came to offer congratulations to John.

Photographs of the event will be displayed in the Hall for all to see.

It is unlikely that the Hall will ever have a reason to celebrate such an occasion again-but you never know!

Jackie Morley

Thanks from the Bryants

Betty and John Bryant send a huge 'Thank You' to all who made the 2nd. of March, such a memorable day.

The Village Hall Committee and others have worked tirelessly, arranged for the Hall to be decorated so beautifully with spring flowers and patriotically with Union Flags and bunting and provided a wonderful spread of refreshments. It was an occasion for residents to get together and enjoy one another's company and John wishes to dedicate the award to the whole community. The Lord Lieutenant was absolutely charming and put everyone at their ease. She sent a handwritten letter to say how much that she and Lord Darnley had enjoyed the afternoon.

So, thank you again to all who came to make it such a special day and for the many letters and cards expressing good wishes and thanks.

We feel it is a privilege to live amongst such lovely people.

Little Birch Parish Field Update

During April Parish Field will need to be prepared for seeding so some willing people with rakes will be needed. Then after that seeding will be carried out and, again, some willing people will be needed to help. We are not sure of the dates yet but look out for notices on Parish Field for dates. We obviously cannot fix the dates until the time and weather are right. Please come along and be part of our Jubilee project for the community. The creation of a wild flower meadow is to be in memory of Joan Rees who was very interested in this project.

Looking forward to seeing you there.

Alison Clarke

Snowdrops in Parish Field

Lots of you will have seen the display of snowdrops in the Parish Field recently. I thought I could donate a number of our own snowdrops (about 200 maybe) to add to these when they have 'gone over' at the end of March. I then wondered if there are more of us with a few snowdrops to spare that could be dug up and moved. How about 2012 snowdrops to plant to celebrate last year's Jubilee? If anyone else is interested we could have a community planting in early April. Call Mike Leigh on 540698 and lets get moving – the snowdrops that is!

Polite Notice

Car Parking in Church Lane, Much Birch

Following damage sustained to the churchyard perimeter wall and the manhole cover set in the pavement outside the Community Hall, drivers of vehicles are requested not to park on the pavement for the following reasons:

1. Parking on the pavement obstructs the use of the footway for pedestrians
2. Parking restricts the width of the lane causing large vehicles to squeeze through causing damage to the verge and the church wall
3. Eventual damage will be caused to the drainage pipe work which is located at a shallow depth below the pathway surface
4. Damage to the structure of the pavement will occur if the practice continues.

Drivers of vehicles are requested to co-operate on this matter and are advised that alternative parking is available approximately 70 meters beyond the hall.

Consideration in this matter will be appreciated (incidentally the pavement was financed from Community Hall funds during the reconfiguration of the hall car park which is provided for the users of the hall premises).

Sugar Craft Demonstration with an Easter Theme

A very pleasant and informative evening was held in Much Birch Community Hall on Wednesday

13th March 2013 when Mrs. Sue Kirby from Ross-on-Wye, and a member of the British Sugar Craft Guild, gave an enjoyable and instructive session on her Sugar Craft. (A remark was passed that it was incredible that with 40 women present a pin could have been heard to drop!) At the end of the evening a cake decorated and donated by Sue was raffled along with other draw prizes. Light refreshments were also served. In total a profit of £279.15 was raised for Much Birch Church. We are very grateful to Sue and everyone who supported and attended the evening to benefit the Church.

Princess Trust

Sarah and Graham Dean and family would like to extend their heartfelt thanks to their wonderful neighbours, friends and customers for their

support over the last few months. The good wishes, kind words, offers of help, cards, gifts, flowers, food parcels and donations to the Little Princess Trust have all been very gratefully received and to date we have raised nearly £4000 for this amazing charity. It's been super to do something so positive and we'd like to thank Much Birch Surgery, Little Birch Whist Drive, Much Birch Village Market as well as all the lovely individuals for their help in turning a difficult time into something constructive.

Much Birch WI

We enjoyed an excellent evening when Mrs Smith enthusiastically shared her experiences of being a volunteer at the 2012 Olympics. On the same evening we also held a Bring and Buy which was well supported by our very generous members. PARISH MEETING – at the Parish Meeting held on the 7th March, at the Much Birch Community Hall, Councillors were addressed by members of the public about the possible affordable housing ventures to be built within the Parish. There would be a further consultation event in April, but at the time of the meeting, the Parish Council had not received notification of any application. It was stated that a special council meeting would be held to discuss any applications. CSO Witcher gave an informative and interesting talk on the property marking solution known as “Smart Water”. This was effectively “chemical DNA” and each kit had a unique composition making property marked with it traceable to the owner. The chemical would not wear off, could not be washed off and has been carbon dated to 115 years longevity. To use it you dab a small amount onto your item(s) and also register the kit to the secure data base. The chemical is invisible to the naked eye but shows bright green under ultra violet light. Signage is displayed which acts as a deterrent because any stolen property can be identified, as such, by checking the smart water markings and registration. Kits are available directly from the Police (Contact CSO Witcher) at a reduced cost. Cllr Russell Hamilton gave an overview of the draft Core Strategy for Herefordshire and advised parishioners that they could comment and consult on the proposals via questionnaires and on the Council Website. Another reminder, to everyone, is that we are still looking for willing volunteers to join the Parish Council. Come along to a meeting, and find out how you can join in, or contact the Clerk, or any of the other councillors, for details of how you can make a difference to the community by being part of the Parish Council.
