

## **Much Birch Parish council**

Ward member report, July 2018

### **Tump Lane**

It was very disappointing to read that the appeal on the Tump Lane planning application has granted permission for 20 houses to be built on the site. I will be meeting with planners to clarify one or two issues such as the plans for the footpaths (some of the land is in private ownership). This is clearly not the outcome that most of the parish wanted but the Inspector has made his decision.

With road works etc there is likely to be considerable disruption in the area for some time. I will await the thoughts of Much Birch parish council on how to channel our thoughts and comments on this issue.

### **Roads**

We're still waiting for BBLP to assess some of the worst roads (Aconbury Close, Little birch road) and re-prioritise them. As far as I'm concerned they are amongst the worst roads in my ward.

### **Jesse**

Jesse is giving a talk at Café Miro, Hereford on 13<sup>th</sup> July at 6pm, this is designed mainly for a business audience, if there is interest please let me know as it is by invitation only.
