### **Local News**

DAVID PRICE of St. Gabriels Cottage had a half knee replacement in the County Hospital on the 16th May which was a great success. He will be having another half knee replacement on the 20th June and we wish him an equally rapid recovery from this one. Likewise ANDY LOWE has just had a knee replacement and we wish him a speedy recovery too.

Congratulations are extended to MARILYN and GLYN KAYE-ALLEN on the very recent birth of their son, (yet to be named), a brother for Amber, a grandson for Pauline and Brian Kaye and a great grandson for Ernest Hoyes.

There have been several celebrations recently in the POWELL household at Green Farm. Both RHYS and KYRA have been awarded a B.Sc. Degree, Rhys in Computer Systems at Stafford University and Kyra in Spatial Design at Hereford

Art College. Their graduation ceremonies take place on successive days early this month. Also GARTH, who trained in nursing but with the cutbacks in posts, has been teaching disabled boys, has now taken up a nursing appointment in Cardiff. Congratulations to all three!

Good wishes and congratulations also go to DOT SKYRME, who is this year's President of the Herefordshire Lady Bowlers.

Last month, we said farewell to the TIERNEY family and we give a warm welcome to DAMIAN COLE, who is coming to live at 2, Coronation Cottages, King's Thorn.

MR. FRANK WHITE, erstwhile of Much Birch, passed away on 29<sup>th</sup> May after a long illness. He was 79 years old. His funeral took place at Belmont Abbey on Friday, 6<sup>th</sup> June and was conducted by an old friend, Father Mark Jabale. Frank was educated at Belmont Abbey School. Later, he married Elaine and 3 children came along in due course, Sue, Chris and Michael. Frank always worked in the poultry industry and was General Manager at Sun Valley in the 1960's, then moved to Marshalls in Scotland and finally, Webbs in Bournemouth. His hobbies included sailing, woodcarving and engraving. He was also President of the Belmont Old Boys. Elaine and Frank came to retire in Much Birch some 14 years ago and moved to Belmont in 2006. He will be sadly missed by a wide circle of friends and we send our deepest sympathies to Elaine, Sue, Chris and Mike and their families.

At the ripe old age of 96, MR COLIN ECKLEY passed peacefully away at the County Hospital on June 2<sup>nd</sup>. Colin lived most of his life in Hoarwithy but moved to Much Birch some 3 years ago, living at first with his daughter, Janet at Brynsmead and latterly with daughter, Pat Gutteridge at Sunnycroft, nearby on the A49. He was a familiar figure on his zimmer frame wending his way slowly to the Axe and Cleaver every lunch time for his daily pint. One could set the clock by his appearance as he arrived there at 1.45pm. and left at 2.45pm. Colin was a very able gardener and worked for many years at the erstwhile Thorn Lighting factory on the Rotherwas Estate. He had 4 daughters, Janet, Pat, June and Margaret and we extend to them and their families our sincere condolences.

It is also sad to hear of the sudden death of RICHARD JELLARD of Hollybush Lane, in his 90<sup>th</sup> year. Richard had been in Ross Community Hospital for a short while and was preparing to come home the next day when he sat in an armchair and passed away, which was a awful shock to the family. Richard was born near

Abergavenny, moved to Sussex and then served with the RAF in World War 2, qualifying as a pilot and spent much of his service as a flying instructor. After the war, he worked in London as a Quantity Surveyor before moving back to Herefordshire in retirement. Richard and his wife, Barbara, celebrated their Golden Wedding a few years ago. They had a son, Anthony and a daughter, Trish, who both live locally. Richard enjoyed cricket, hockey, walking and gardening and everything he did was kept neat and tidy. His funeral Service took place at Llanvihangel Crucorney on Wed. 18<sup>th</sup> June and he will be very sadly missed by Barbara, Anthony, Trish and grandchildren, Bruce and Gabby, to whom we send our sincere sympathies.

### **Open Garden at Uplands**

Our thanks to Jackie and Mike Morley for opening their lovely garden (in aid of Little Birch Village Hall) on Sunday 15<sup>th</sup> June. On a sunny afternoon, the visitors enjoyed a warm welcome and a delicious tea prepared by members of the committee and volunteer helpers. The book and plant stalls and raffle were busy and the afternoon was a great success. Thank you to all who supported this enjoyable event.

### **Parish Initiative**

Herefordshire Council is promoting a 'Parish Initiative' where the Highways and Transportation Department are working in partnership with Amey Wye Valley and HALC to provide a fair and consistent way for highway defects to be reported. Each parish needs to report any defects to Herefordshire Council one month prior to their scheduled quarterly inspection. The inspection months allocated to Little Birch are January, April, July and October. If any residents wish to report any problems with the roads within Little Birch, please contact Liz Callwood, Parish Clerk on 01981 540081 or [liz@hgta.org](mailto:liz@hgta.org).

### **SmartWater**

We are expecting a large delivery of SmartWater kits in the next couple of weeks, they are selling very quickly, if you are interested in finding out more, please let me know.

SmartWater signs are available to purchase. These are intended to be displayed in villages or on commercial properties, or farms etc, and are £15.00 each. We have been given funding to help offset the cost of these signs, so for every one that is purchased, we will provide a second, free of charge - in other words, Buy One Get One Free! (This is only for a limited period however.) We have

already sold to several Parish Councils, please let us know if you are interested. Please note that where the signs are to be placed on the highway, planning permission is needed from the Council, but I have spoken to them and it would appear it is a fairly simple process. ### **Pilgrimage**

Having returned from Spain twelve days ago, I still feel unable to begin to process all the experiences of the journey. However, putting it objectively, I walked the 500 miles from St Jean Pied de Port in the French Pyrenees to Santiago in Galicia, in 29 days, which included a "rest day" in the beautiful city of Burgos. Guidebooks differ on the actual mileage, but taking into account walks around towns, occasionally getting lost, and alternative routes for adventurous walkers, it was probably a lot more than the 500 miles.

I carried my pack all the time, and most of the walking was done in the mornings, starting at around 7.00am and arriving at the next hostel in the early afternoon. The hostels provided the basics of a bed (mostly bunks), hot showers, facilities for washing clothes and occasionally a kitchen for preparing food. Hostels cost anything from nothing to 9 euros for the night, and they varied in the standard of their facilities.

Food was purchased on route, with hostels occasionally providing breakfast and an evening meal. Generally I ate out in the evening with other pilgrims because local bars and restaurants often provided a "menu peregrino" which consisted of a three course meal with bread and wine, all for around 8 euros.

The walk was packed with history (both natural and social), geography, the mental challenge of foreign languages, the physical challenge of the walking, all within the spiritual context of pilgrimage. But most important of all were the amazing encounters with people from all over Europe, the Americas, Australia, New Zealand, Korea and Japan. The shared experience of the camino was what made it so special, but paradoxically,

those who got the most out of this were those who, like me, were travelling alone. The goal, Santiago, was a magnificent medieval city full of pilgrims on foot, on bikes, in cars and coaches, and the general atmosphere was one of celebration. For me it certainly did not feel like an end, and indeed, as one writer put it, "the Camino really begins when you get home". I hope to be able to share my experience in more detail at some future date.

### **Neighbourhood Watch**

The following crimes have been brought to our attention since the last briefing.

On **5th June**, some cash was stolen from an office in **Dinedor**.

Overnight **5th/6th June**, a trolley Jack was stolen from a commercial premises in **Wormelow**. Thieves cut a hole in the perimeter fence of the premises, but once inside, all they could find to steal was the trolley jack!

On **8th June**, occupiers of a premises in **Hoarwithy** woke to find they had been burgled overnight. Thieves had broken in via a front window facing the street, and stolen a laptop and printer, a digital camera, credit cards and cash. They also took both sets of keys for a vehicle parked at the premises, but the vehicle was not taken. On the same night, a premises at Bridstow, near Ross on Wye, was also broken into and similar items stolen, it is believed that the same persons are responsible.

This morning at 3am, thieves were spotted stealing lead and roof tiles from an abandoned property in **St Owens Cross**, police attended but the thieves had gone, leaving their vehicle and the stolen items at the scene. Enquiries are in hand by Ross Officers to trace the owners of the vehicle, a white transit panel van 'N' registration.

Between **1st and 6th June** 6 metal sheep feeders were stolen from fields in **Allensmore**, presumably for scrap. Farmers - please try and move your metal items to where they are not visible from the road if at all possible.

Between 6pm on **Tuesday, 10th June** and 8am on **Wednesday, 11<sup>th</sup> June**, thieves stole a large quantity of power tools, valued at approximately £1,200, from a farm in **Bolstone**.

Due to the increasing value of scrap metal, we are receiving more and more reports of metal thefts. We have had two similar incidents where cars have been stolen for their scrap value.

Between **1st & 4th June** a **black BMW SE** saloon was stolen from the garage area of **Tump Lane** in Wormelow. Two males

in a 4x4 vehicle had been seen around previously asking about the car.

On **Monday 9th June** two old cars were stolen from a garden in **Little Birch**, the owner had been approached the previous week by two males in an old black and silver 4x4, asking if he wanted to sell it, he declined their offer and they left. He described the men as both white, one about 30 with short dark hair, the other mid 40's wearing a flat cap. The vehicle was taken about 1pm on Monday, a large transporter type vehicle was seen by neighbours to take the vehicles, but they had no suspicions at the time, they thought the owners of the vehicles had arranged for them to be removed. Enquiries by the owner reveal that the cars were taken to a local scrap yard that afternoon. Enquiries are in hand by PC Bundy as I write.

We need you all to be vigilant, as with many of these crimes, they are committed in broad daylight under our noses, so to speak! Please don't assume that something is legitimate, be suspicious of everything and take down registration numbers, descriptions etc, and contact us, either on the mobiles or the main switchboard on 08457 444 888. Do not challenge anyone yourselves.
