## MUCH BIRCH PARISH COUNCIL SMART WATER - decision

At the February Parish Council Meeting, held on the 6<sup>th</sup> February, the Much Birch Parish Council again discussed the possibility of providing "Smart Water" property marking kits to households in the parish. Having given consideration to the overall cost of the scheme, and the fact that there had been minimal interest registered, the Parish Council decided not to progress the idea at the current time. The Parish Council wishes to say thank you to all those who did contact the Clerk to register their interest in the scheme.

The image shows a black and white photograph of a modern garden studio or extension under construction. Two workers in safety gear are visible on ladders, working on the structure. The building features a combination of straw bales and timber framing, with large windows and a flat roof. The ground around the building is uneven and appears to be a construction site.

## A message from the Little Birch and King's Thorn History Group

For a number of years we have organised talks for the community on historical topics paying the speaker's

fee from the funds we have raised from sales of our book. These talks have been well received and mostly well attended.

**However**, the last 2 talks this autumn on the making of the Hereford to Worcester railway and on the stagecoach era were very poorly attended. Whereas we are very grateful to those who came we were most embarrassed that the speaker had so few people to talk to.

We always aim to advertise well and choose topics which we think will interest people – maybe we are not getting it right. So....

**Please let us know what topics you would like to hear about, make suggestions about advertising or just tell us if you think these talks are a waste of time. Please send your comments to lbhistorygroup@gmail.com**

St Michael's Hospice  
Always a place of light and love

### Big Spring Walk & Black Mountains Trek

**Blow out the cobwebs this Spring by joining St Michael's Hospice as we explore our green and pleasant land.**

Whether it's a gentle Sunday morning stroll, or an all-day mountain hike, we've got a walking adventure for you. The Black Mountains Trek on Saturday 7<sup>th</sup> March is a challenging 30-kilometre walk taking in the remote, dramatic scenery of this renowned mountain range. Marshalled by the Longtown Mountain Rescue Team, you'll reach the prominent central ridge of the Black Mountains offering superb views across the Brecon Beacons National Park. End the day at Longtown Village Hall where a two-course meal awaits.

For something more gentle, try the Hospice's Big Spring Walk on Sunday 22<sup>nd</sup> March.

Choose from a gentle Sunday morning stroll, or a longer meander. Set off from Hereford Rowing Club on either a 2.5k, 5.5k, 12.5k or 17.5k walk. Each route will head west towards Breinton, returning to the Rowing Club along riverside paths. It's free to enter in advance but we ask those taking part to get sponsored for St Michael's.

To sign up for Black Mountains Trek or Big Spring Walk, visit [www.st-michaels-hospice.org.uk/events](http://www.st-michaels-hospice.org.uk/events)

### Virtual Tour of Britain

**A year-long exercise challenge taking a group of St Michael's Hospice patients on a virtual tour of Britain has been successfully completed.**

The Hospice's Physiotherapy team devised the virtual Tour of Britain which allowed patients to take it in turns using exercise bikes or treadmills to help complete a 7,723-mile journey around the British Isles – all without leaving St Michael's.

Starting and ending in the Cornish town of St Ives – a favourite place for one of those taking part – the journey lasted throughout 2019, ending just before New Year's Eve.

Rose Livesey said: 'I've really enjoyed taking part. You really feel as though you're contributing to a worthwhile cause.'

The exercise helped improve the cardiovascular system and strengthened legs and arms.

### History of the Hotel Name

The Hotel takes its name from its position on the Pilgrimage route for St Ethelbert, who was King of East Anglia from circa 779 to his untimely death in 794.

Ethelbert was lured to the Palace of King Offa, just north of Hereford, where he was promised the hand of the King's daughter, Eadburgh, in marriage.

When he arrived at Sutton Walls Palace he was treacherously captured & beheaded with his body thrown into a ditch.

He was eventually reunited with his head by a local monk and laid to rest in a tomb on the site of the current Hereford Cathedral. Miracles were later reported to be connected to his shrine and he was later Canonised.

"Saint Ethelbert" is now one of two patron saints of the Cathedral, which has created the Order of St Ethelbert in his honour

10<sup>th</sup> February 2020

**PARISH MEETING** - at the Parish Council Meeting held on the 6<sup>th</sup> February 2020 at the Much Birch Community Hall.

**SMART WATER**

The Parish Council again discussed the possibility of providing “Smart Water” property marking kits to households in the parish. Having given consideration to the overall cost of the scheme, and the fact that there had been minimal interest registered, the Parish Council decided not to progress the idea at the current time.

**CROSSING ON THE A49**

The Parish Council also discussed a forthcoming meeting with Highways England to look at the possibility of further signage for the crossing at the Top of Tump Lane. The signage would be to warn drivers further back from the crossing to try to help avoid the possibility of vehicles going over a red light. The final decision on the signage would be taken by Highways England after consulting with interested parties and including the Police Road Safety Team Traffic Management Advisor.

The next ordinary meeting of the Parish Council will be held on **Thursday 5<sup>th</sup> March 2020 from 7.30pm** - at The Much Birch Community Hall. All are welcome to attend.

Dates for further 2020 Parish Council Meetings are: 9 April, 8 May (Friday), 11 June, 9 July, 3 Sept, 8 Oct, 5 Nov, 3 Dec 2020. No meeting in August.

Please see notice boards and website for agendas. As always the public and press are more than welcome to attend and will have the opportunity to speak directly to their representatives.

## STEAM TRAINS

In response to the article relating to steam trains printed in a previous Newsletter I would like to write my view of the dirty, noisy, smelly and ugly objects!!!

The writer is obviously a big fan of steam trains whereas I find nothing pleasing in them at all and was very glad to see the back of them.

As a child growing up in North London, I lived opposite a railway siding and was kept awake most nights with the engines shuffling and shunting back and forth. I swore then that when I grew up I would marry a farmer and live in the country as far away from the sound of trains as possible. I managed the country bit but unfortunately not the farmer – not too many of them in London!

My family, on my Father's side, were connected to the railways since they first arrived in this country. I have a photograph of my Grandfather decked in his guard's uniform. His run was from King's Cross to Edinburgh and back. It was rumored he had a second family in Scotland. I also have a small copper bottle he used to boil water for his tea on the engine.

My experiences of steam trains were not pleasant. I had to travel on one to my school playing field once a week. In the winter the heater under the seat in the carriage was either not working or it scalded the back of your legs if it was. In Summer you did not dare open the window or the carriage would fill with smoke, especially if you went through a tunnel.

My parents travelled on the train from London to visit us when we first moved to Hereford (early 1960s). They loved the journey – in the restaurant car! I found it very worrying, my Mother was always in a very inebriated state when she nearly fell off the train. I had heard of many people getting their leg trapped in the gap between the train and the platform. It never happened to her thank goodness. My Father – a very honest man – found a British Railway brass ashtray in his pocket after one such journey. I have it still.

A last nasty reminder of those monsters. A boyfriend stuck his head out of a window of a moving train and was decapitated by a signal when passing it. He was 19. I was not with him at the time but the accident was deeply shocking to myself and his friends. It was certainly a reminder never to put your head out of a window in a moving train.
