To Commemorate the End of the First World War.

On Friday 9th November 2018 at 10.30am we will, once again, be gathering at the Liquid Amber Tree on the Rosemary Rigby Millennium Green, Wormlow's Official War Memorial, for a short service conducted by the Rev Mark Johnson, and for the laying of Wreaths and Crosses. This year we are placing a beautiful granite surround remembering the tremendous sacrifice made by so many in the 1914-1918 War.

We have been greatly helped by a special Person giving a wonderful and strictly anonymous donation, so very many grateful thanks!

We look forward to again welcoming children from Much Birch Primary School and all Parishioners who would care to join us.

NEIGHBOURHOOD PLAN

Little Birch & Aconbury Joint Neighbourhood Development Plan

Draft Plan

The finalised draft plan, along with all the relevant documents were recently submitted to Herefordshire Council. Our clerk, Sophie Glover, has had confirmation that we are now in **Regulation 16**, which has a 6 week consultation period – 4 October to 15 November. Notices, should by now, have been posted within both parishes.

We trust that, following the conclusion of this period, it will then pass to an independent examiner.

Once the **Aconbury and Little Birch Neighbourhood Development Plan 2011 -2031** has been approved it will be recommended to go to **referendum**. If more than 50% of those qualifying within the area covered by the NDP vote in favour, it will be adopted by Herefordshire Council. This means that the LB&A NDP will form part of the **Local Development Framework** and be used to determine planning applications for both Aconbury and Little Birch.

King's Thorn and Little Birch Gardening Club
Annual Horticultural Show Report

The Annual Horticultural Show was held on Saturday 1st September in Little Birch Village Hall. After three bouts of snow in the Winter and a very hot Summer, it was anybody's guess as to how many entries we were going to have and the kind of exhibits we were going to receive. We were not disappointed – the number of overall entrants increasing from last year with 44 entrants proudly exhibiting 292 entries between them. The weather had certainly not put off - or spoilt - the many fantastic entries we were to enjoy throughout the day.

The Vegetable & Fruit Classes drew out the best in the entrants with vast variety of produce proudly displayed. Derek Scrivens once again led the way with his produce, walking away with the Horticultural Shield, the David Enoch Cup (best exhibit in Show); and the Llewellyn Sutton Cup for the person with the most points overall. This year we were proud to introduce the Selby Lloyd Shield (in memory of local gardener Selby Lloyd) for the person with the most points overall in Section 1 – Vegetables, and this was won by yes you've guessed it – Derek Scrivens! The Harold Salisbury Shield for the winner of V1 was won by Des Wathen.

The wonderful display of flowers in Section 3 & 4 (Flowers & Floral Art) was a sight to behold with the Floral Art Shield won by Janet Gwinnett and the Rose Bowl being won by Keith Hardie.

The Domestic Section entries increased significantly with a wide variety of Jams/Marmalades/ Pastries of different kinds/ Scones and Fruit Cakes. Overall winner of this Section was Katie Rushgrove, who also walked away with an anonymous donation of a £25 voucher for the most points in the Class.

The Photographic Award, donated by the London Camera Exchange in Hereford and voted for by the public, was awarded to Barry Chapman, with the Painting Class award being given to Wendy Innes.

The Handicraft Section, with its new "Bag" category, produced some excellent entries, and in memory of the KT&LB Gardening Club treasurer there was the new Wilson Cup, which went to Val Ballantyne. Next year there will be a chance to produce a Hat (any medium) & a Christmas Tree decoration (any medium).

The Children's Section produce excellent entries, especially after the Workshop on the Friday afternoon, with pride of place going to Poppy Scrivens - the Children's Shield and the Over 8 Cup; the Ann Thomas Trophy (Best Entry) went to Henry Hall, and the Under 8 Cup to

Joshua Scrivens. Other notable entries included Harry Grobb; Oscar Roberts; Ronan Gould; Jemima Webb; Ella Gould. Next year the Children's workshop will be on **FRIDAY 6th SEPTEMBER 2019** at 4.00pm – put it in your diary!

At the end of the day the excellent raffle prizes donated by the Axe & Cleaver, The Pilgrim Hotel, Carrot and Wine Stores and Pengethley Garden Centre were issued, and the Sale of Produce (rather than an Auction) brought the day to a close.

Once again, a truly memorable event with the best displays one could only imagine. Some people went home with 1st, 2nd, and 3rd prize certificates, and a few Highly Commended certificates too. Even those who didn't win have the honour of knowing that they contributed to a good Show.

Well done everyone and see you on **Saturday 7th September 2019 !**

A CALL FOR HELP.....

We are looking for volunteers to go on a monthly rota to help us keep Much Birch Churchyard tidy.

We do have someone to mow the grass regularly but we need volunteers to generally tidy up e.g. sweep the path, get rid of weeds and accumulated rubbish in the corners and remove dead flowers from graves. We would be so grateful for this help and you do not have to be members of the congregation. Please contact the Churchwarden, Sylvia Jones tel. 01981 540980 if you can help.

MUCH BIRCH PARISH COUNCIL

Some Information about Fireworks and Bonfires

Hosting a fireworks party

If you have a safe place to do so and want to celebrate with fireworks in the comfort of your own garden or on other private land (with the landowner's permission), there's nothing to stop you and there's no reason why you can't enjoy a great evening. But remember that both you and your guests will need to take care.

These tips are to help you think about and prepare for a fun and safe celebration at home.

Plan ahead:

Fireworks must be stored safely, in a closed box, somewhere cool and dry, out of reach of children and animals, until the time they are needed. Don't keep the box under the stairs or in a passageway.

Do you have a large enough space to let fireworks off safely? Each firework should have a minimum safety distance marked on it.

Be considerate to your neighbours: warn them beforehand so they can take in their washing, close windows, keep their pets indoors and, if necessary, take other precautions. Why not invite them?

Only buy fireworks from reputable dealers. The fireworks should have the product safety marking BS7114 or equivalent and carry a CE mark.

Most shops have only been given permission to sell fireworks on or between these dates:

15 October to 10 November, 26 to 31 December plus 3 days before Diwali and Chinese New Year

To buy fireworks at other times, you must go to specially licensed shops. Fireworks cannot be let off between 11pm and 7am except on:

Bonfire Night (5 November), when the cut off is midnight; New Year's Eve, Diwali and Chinese New Year, when the cut off is 1am.

Party time:

Fireworks must only be handled and lit by responsible adults. Alcohol and fire don't mix – nor do alcohol and fireworks. Keep fireworks in a closed box well away from the bonfire or any other sources of heat or fire.

Follow the instructions on each firework. Different fireworks can present different hazards and so the instructions vary. Use a torch if you read the instructions in the dark – do not use a naked flame.

Let fireworks off one at a time.

Do not throw fireworks – it is highly dangerous.

Light them at arm's length, using a taper.

Never play with fireworks – they are explosives and can hurt you.

When you are watching fireworks, stand well back.

Never go near a firework that has been lit. Even if it hasn't gone off, it could still explode.

Hold sparklers one at a time in gloved hands at arm's length. When the sparkler goes out, it is still very hot so put it end down in a bucket of water.

Never leave matches or lighters lying around

We recommend that you **do not use** sky lanterns as you have no control over them once they've been set off. They can kill animals, litter the countryside and start fires. If you do choose to set them off, always follow the manufacturers' guidance/instructions carefully.

Clearing up:

Pick up the spent firework cases – they can still be dangerous. Look for fireworks with a torch. Use tongs or some other suitable tool and wear heatproof gloves.

Don't allow children to collect firework cases.

If any firework looks as if it hasn't gone off after at least half an hour, soak it in water to prevent it reigniting.

Having a bonfire

A bonfire is a great way to celebrate Bonfire Night, but do follow these safety tips:

You can't get rid of household waste on the bonfire if it will cause pollution or harm people's health. You should always burn dry material as it produces less smoke. Never burn treated wood, rubber, plastic, foam or paint.

Warn your neighbours beforehand so they can take in any washing, close windows, keep pets indoors and take other necessary precautions.

Little Birch Gardening Club News

We are being entertained on

WEDNESDAY 31st OCTOBER by our

own 'new' chairperson, Janet Gwinnett, on her 'First Year of Retirement for a Gardener'. (Now there's a thought - do we ever really retire!) What a year to choose - this one should be interesting on how she overcame (or not) the challenges - looking forward to this.

Trying something different, in June the club hosted an evening of 'Nature in Music and Verse'. We were musically entertained by Cantando, a group of eight enthusiastic guitar players. Their repertoire is classically based with a few modern pieces. This was interspersed with poems and readings theme linked to a celebration of

Looking forward to seeing you.

Much Birch Village Markets

The dates for 2017 are as follows: October 26th, November 23rd, December 14th.

Horse/pony/animal help available -

Very helpful, young, teenage, girls are looking to help on a local yard in exchange for a ride (or help with other animals for some pocket money)

Many thanks to all those who so generously sponsored Cathy Sadler and son John on their annual HHCT Ride and Stride cycle ride on September 8th. Once all the donations have been collected, we hope to have made close to £600 – half of which will go towards Little Birch's St Mary's church repairs and half to Hereford Historic Churches' Trust to renovate other county churches.

This year, our 10-hour, 45-mile ride to 14 churches between Much Birch and Woolhope went smoothly. We were spurred on by mercifully cool weather, Cathy's newly-serviced bike and John's dry sense of humour! Thanks to Kate Dillon's suggestion, we also avoided the long, uphill, home-run from Hoarwithy by returning via Laskett Lane.

The log sales are back!

Worcestershire Wildlife Trust's log sales start for the autumn/winter on 29th & 30th September at **Tiddesley Wood**, near Pershore. The sales take place from the barn, which is about 300m from the main car park entrance.

Did you know that all of the wood sold at Tiddesley Wood is from our nature reserves and that the removal of some trees creates open habitat for a variety of wildlife? Not only that, all profits from the sales come back to the Trust to help fund future work - it's a win-win situation.

You can come along either day from 10am through to 1.00pm and pick up bags at £5.50 each or get loose logs packed into your boot or trailer - a price will be worked out for you at the time based on £110 per cubic metre.

Letter to the Editor.....

"The Castle Inn"

We are very lucky to have our own public house and restaurant.

We had a friend visiting from Manchester. He was so impressed with the atmosphere, decor, friendliness and good beer. Then, on what was a pizza night, we were offered a varied menu of other food and were served with a delicious meal.

Please let us all support Seb and Emma in this enterprise. Maybe there are not enough of us to keep the Castle open as a pub, but we could spread the word about the food and get outsiders to come over, too.

12th October 2018

PARISH MEETING - at the Parish Council Meeting held on the 4th October 2018 at the Much Birch Community Hall. The new crossing had been installed on the A49 from the top of Tump Lane and this would be operational in the near future. Parents and Much Birch School Governors were in attendance at the meeting to discuss ongoing concerns about parking in the environs of the school and about the new yellow lines pushing parking further up the road. The parents and Governor would go back to the school to look at plans to help alleviate the issues being experienced. The possibility of parking land and other ideas would be explored. The Parish Council would be willing to assist with plans in so far as they were empowered to do so.

The future Much Birch Parish Council Meeting dates for 2018 are as follows: November 8th and December 6th. The next meeting of the Parish Council will be held on **Thursday 8th November from 7.30pm** - at The Much Birch Community Hall.

Please see notice boards and website for agendas. As always the public and press are more than welcome to attend and will have the opportunity to speak directly to their representatives.
