## Herefordshire Area

Welcome to Herefordshire Ramblers. We offer;

- A wide variety of walks all year round to suit all abilities. We have walks of varied distances, both during the week and at weekends. Our walks are all tested beforehand, and are led by experienced leaders, so we shouldn't get lost! There are walks all round Herefordshire and beyond. There is no need to pay anything but we hope that after you have enjoyed two or three walks with us, you will join the Ramblers. Walking is a great way to get to know the local countryside and to meet new people. We do not walk particularly fast and we always enjoy out coffee and lunch stops.
- There is the opportunity to do practical footpath work, and campaign on footpath matters and make a real difference to the footpaths in your area
- If you would like to walk the Herefordshire Trail, the 150 mile circular walk round the whole county, you can buy a copy of the official guide @£7.50. The Herefordshire Trail links all the market towns of Herefordshire, and goes through Much Birch. It is a wonderful way to get to know the county.
- Or you could try our new book of walks, Top Ten Herefordshire Walks @ £3.95. This includes walks based on Kilpeck, Clodock and Coppett Hill with full details of points of interest and local pubs and cafes

We hope to see you on one of our walks. For more information on anything to do with the Ramblers, ring Tom on 01886 821544 or visit our website.

## **Little Birch Book Exchange**

The book exchange continues to do well. Many more people from Much Birch and Little Birch came in March which encouraged us to increase the stock of books. We were glad to welcome some children this month. The selection of books for teenagers is not very good so if anyone has some to donate we would be grateful to receive them.

There is a cost of £1 per adult to cover costs.

We look forward to seeing even more of you on our next session on;

### Much Birch Jubilee Celebrations

We thought readers and celebration organisers might like an insight into the plans that are evolving to celebrate this Diamond Anniversary.

On Sunday 3<sup>rd</sup> June we extend to everyone the Queen's wish that we join together for The Big Lunch, at Much Birch Hall from 12.30pm.

This will be a 'Bring and Share' event With an alcoholic and quality soft drinks bar with Pimms for the fun loving.

We are hoping to show the Royal Pageant on the River Thames during the afternoon on our state of the art equipment with its large screen for those who wish to watch it.

Other events will take place during the afternoon. All children dressed up as Kings and Queens will receive a small gift and the optional theme for the day is to dress in red, white and blue or those wonderful fashions of the 1950's for the adults. There will be tombola, roll-a-penny and such sideshows and fun and games for the children outside. (weather permitting)

We are creating a Diamond Jubilee Garden in the front of the hall, and during the afternoon time capsules will be buried and the commemorative tree and shrubs will be planted.

The national celebration will finish in style with tea and celebration cake.

This is a free event and any profit made from the bar, raffle etc. will be used to offset the garden costs.

Questions or suggestions? Then let us know but put the date in your diary now!

Let's have fun and celebrate together.

### Report from the meeting of Much Birch Parish Council held on 2<sup>nd</sup> February 2012

During public participation time a parishioner asked if there had been any further developments regarding the bus stop opposite

King's Thorn Common. The Parish Council had no further information at this time. The Chairman asked the Clerk if she would contact HFDC Public Transport Section for an update.

Apologies were received from Cllr. Mike Smith who is unwell and from Ward Councillor Hamilton who had a prior engagement. A prejudicial interest was declared by Cllr. Sims on Planning item in respect of Whitacre, Wormelow.

The minutes of the Parish Council Meeting held on 2<sup>nd</sup> February 2012 were confirmed as a true record and signed by the Chairman. CSO Kate Middleton informed the Parish Council that she had nothing to add to the electronic briefing already sent out. She asked if there were any matters that the Parish Council knew of that the Police should be aware of. A query was raised about parking near the junction of The Thorn and C1263. CSO Hamilton will check with CSO Fiona Witcher to see if there is any further information.

The Clerk's written update on all action items to date was received. Cllr. Glen Sims gave an update on his meeting with the members of Little Birch Village Hall Committee involved with The Queen's Diamond Jubilee celebrations. Parish Councillors were given the minutes of the meeting. Cllr. Sims will build the Beacon and it will be registered by the Chairman of Little Birch Parish Council, Cllr. Mike Morley. Cllr. Sims will organise the collection of suitable materials for burning. Chairman Dave Davies volunteered to help Cllr. Sims.

The Financial report was noted and all payments listed were approved. Cllr. Alison Cook gave her report regarding internet and telephone banking. Cllr. Cook is to set up internet and telephone banking facilities on behalf of Much Birch Parish Council. The Parish Council are considering a request by Much Birch Parochial Church Council for a donation to help with maintenance of the Memorial Clock at Much Birch Church. The Clerk reported back to the Parish Council on the information given her by the Clerk in Worcestershire whose Council gives financial support for the Memorial Clock in its Parish Church. Councillors were reminded of the Risk Assessment given to them previously, and the Council's Donations Policy. It was decided that a review of the Donations Policy be carried out, and this should be an Agenda item for the

next Ordinary Meeting on 5<sup>th</sup> April. It was decided that a Working Group be formed to customise the revised Standing Orders issued by NALC for use by Much Birch Parish Council. Cllr. Stephen Turner and Chairman Dave Davies volunteered to be members of the group. Planning applications were considered at Whitacre, Wormelow, Herefordshire, HR2 8EJ for a rear two storey extension and at Chelston Grange, Much Birch, HR2 8HR to: Re-pollard 1 x Willow tree near gateway. Crown reduce 1 x American Oak to clear property at Chelston Grange. Both applications were supported by the Parish Council.

A copy of the suggested Policy document from HALC regarding dealing with Planning Applications between Parish Council Meetings had been received by each Parish Councillor. Initial discussion raised issues of timing during the processing of applications, and what would be regarded as a contentious. It was decided to raise this item on the Agenda of the next Parish Council Meeting.

With regards to Parish Roads and Footpaths: The following defects are to be reported to AMEY:- A 'ditch' has been created by a lorry going off the tarmac opposite The Kennels on the B4348. A large deep pothole on Ticklewithy Pitch. It was noted that the Lengthsman's Grant for 2011/12 is now fully spent. A parishioner has request some works to be added to the Lengthsman's Schedule and Cllr. Crum will visit the parishioner who is known to him, and make a list of her suggestions to bring back to the Parish Council.

It was noted that all of the Parish Footpaths have been walked and surveyed by Herefordshire Ramblers, and that electronic copies of those surveys have been sent to the Clerk. The Chairman expressed his thanks to The Ramblers. Prior to the meeting the Clerk had distributed information sheets on higher-end specification towed gritting machines. It was decided that before considering the possible purchase of such a machine, the Parish Council ask AMEY if the scheme is to continue over the next 5 years. It was also decided that a further meeting should take place between the Working Groups of both Parish Councils. It was decided that the Scheme be a 'rolling' Agenda item. The date of the next meeting was confirmed as Thursday 5<sup>th</sup> April 2012

at 7.30p.m. at Much Birch Community Hall. **All are most welcome.**

A resolution was passed to exclude members of the press and public due to the confidential nature of the matters that were about to be discussed. The resignation of the Clerk was noted and accepted. The Clerk will continue in post until 31<sup>st</sup> March. The meeting was closed by the Chairman at 9.27p.m.

***Please note that this is not the official record of the meeting. The minutes of a Parish Council meeting are the official record, and these only, once signed at the next meeting as a true record.***

### Local News

From time to time, it is good to report news and adventures of some of our young people in the community. It was recently learned that Rhys Atkinson of the Old Rectory is now studying Art and Graphic Design at university in London and that his older brother, Luke, is spending some months in Bangladesh, helping his girlfriend in her charity work helping poorer families there. Meanwhile, older sister, Melanie, opened a café in France near

one of the ski resorts and finds that it is rewarding but very hard work. We wish them all well in their various projects and it would be good to hear of other good news especially about young people's progress.

It is sad to record the death of Mrs. Audrey Williams, erstwhile of Much Birch, who will be remembered by many for her hard work and helpfulness to the community as Ward Councillor for over 20 years on the erstwhile South Herefordshire District Council.

Audrey was born at the Minster Farm in 1918, the daughter of Mr & Mrs. Harry Manning and was educated at the old Ross Grammar School. At the opening of the King's Thorn Memorial Hall in 1927 (erected in memory of those who served in the 1<sup>st</sup>. World War), she presented a bouquet of flowers to Mrs. Parrish, whose husband performed the ceremonial cutting of the ribbon.

Audrey married Thomas Gordon Williams of Tretire and they farmed there for some years. They then moved to the Ash Farm at the top of Tump Lane and animals figured prominently in their lives. There were ponies, horses, dogs and cats as family pets and the family of Dennis, Valerie and Jenny with Audrey and Gordon were all members of the South Hereford Hunt, based at Wormelow. They remained at Ash Farm until Gordon retired from farming and then lived at 2 addresses in Much Birch until Gordon died in the early 90's. Audrey and Gordon were very proud of their 10 grandchildren and to these have been added 10 great grandchildren and more recently, one great, great grandchild. Audrey subsequently moved to Grafton to be near Jenny and Bill Layton and continued her District Council work for several years.

She went into Charnwood retirement home some 2 years ago, then as she became more frail, she moved to the Oaklands Nursing Home in Hereford.

A Service to Celebrate her Life took place at Much Birch Church, which had played an important part in her life, on 28<sup>th</sup> February, conducted by Rev. Mark Johnson. A very typical photograph of Audrey was printed on the front of the Order of Service. Her body was laid to rest with that of Gordon in the churchyard. Donations were given in aid of the Martha Trust Hereford and Much Birch Church. We extend to Jenny and Valerie and their families our deepest sympathy.

The final service of Thanksgiving for the Life and Witness of the Methodist Chapel to be held on

## **Two "Gripes" from Newsletter Readers**

### **1. Bonfires**

In the fine sunny weather at the end of Feb and early March, some residents have lit bonfires during the day when neighbouring properties have many windows fully open or washing hanging out to dry. This unsociable behaviour has caused a lot of resentment and is totally unnecessary.

PLEASE LIGHT BONFIRES AFTER DARK,  
HAVING CHECKED NO WINDOWS ARE OPEN.
