**TRANSPORT**

## Interested in Volunteering?

We rely on volunteers to keep the service running and always need more. Volunteers can drive our vehicles or use their own cars. We reimburse drivers for their own running costs.

You can do as much or little as you like, spending a day driving one of our vehicles around the beautiful lanes of Herefordshire, or carrying out a trip in your car.

Your help will be greatly appreciated by our clients, who depend on us to get around.

If you are interested, please ring

# Dore Community Transport

is one of seven local charities that aim to provide affordable transport to anyone living in Herefordshire who needs to use public transport services but cannot because they do not exist or are unsuitable.

We have several vehicles adapted to carry wheelchairs and hatch back cars and our drivers also use their own vehicles to provide the service. All of our drivers are volunteers and all have been DBS (CRB) checked.

We operate in the Southwest corner of Herefordshire and take people of all ages to all sorts of places within our area and beyond.

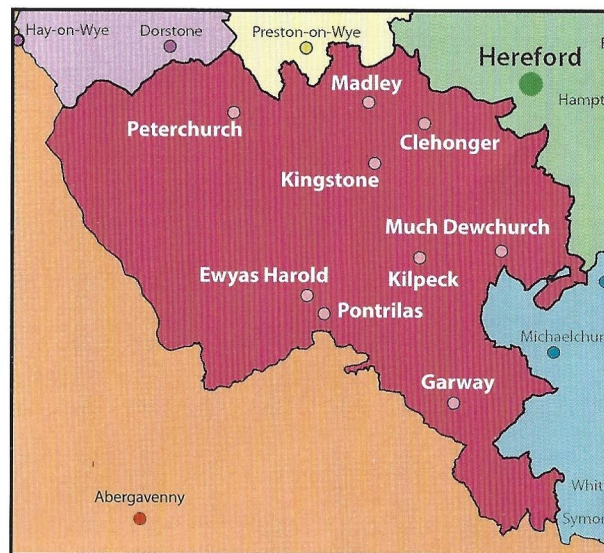

If you are not sure if we can help call us and we will see what we can do.

## Who can travel and where can you go?

If you live in our area and are struggling with transport you can use our service.

We mainly take people to destinations in Hereford and the South of the County, but exceptions can be made if we have capacity.

We will pick you up at your door, take you to where you want to go and deliver you home again. You can book us for regular journeys or single trips.

If you need to use a wheelchair adapted vehicle please let us know when you are booking so we can make sure the vehicle is suitable.

## What does it cost?

Our fares are generally about the same as using a bus service and are calculated on the miles you travel. There are no booking or membership fees.

We will tell you the cost of your journey when you ring to book.
