Rotherwas SNT Event

Wednesday 29th March saw Southside SNTs first Rotherwas Event. This event is where we work with other policing teams (such as Rural Crime, Business Crime and Cyber Crime Teams) and partnership with local businesses which are based in Rotherwas. The Midlands Centre for Cyber Security have been a huge help in this process with providing the venue and assisting with general admin of the event.

This event was attended by a range of local businesses and we hope to do the event regularly so we can continue to update local businesses on crime trends, incidents around the area and more.

Three arrested following thefts

On Thursday 16th March, police were made aware of a vehicle travelling through Hereford. The vehicle in question was linked to prolific shop lifting elsewhere in the country. The vehicle was spotted and stopped by a PC from Southside SNT. This resulted in 3x persons being arrested and remanded in custody for theft offences.

Lake View Nursery Visit

On Monday 27th March, PCSOs Hunt and Warne had a lovely morning visiting Lake View Nursery.

The children were so excited to see a Police vehicle and sit inside. The sirens and lights went down a particular treat!

Community Surveys - Kingstone

Southside SNT have throughout this month carried out a range of community surveys which is linked in with Neighbourhood Matters. These surveys have allowed us to speak to local residents and get their personal opinion about their community.

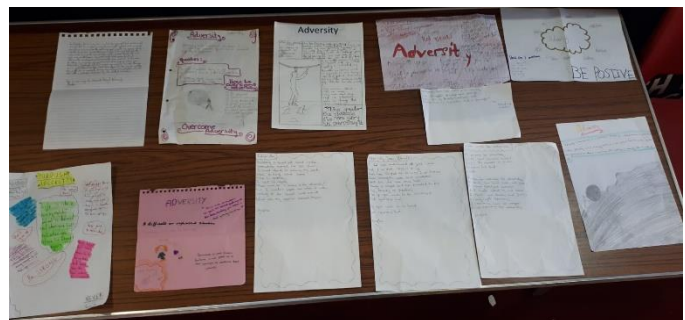

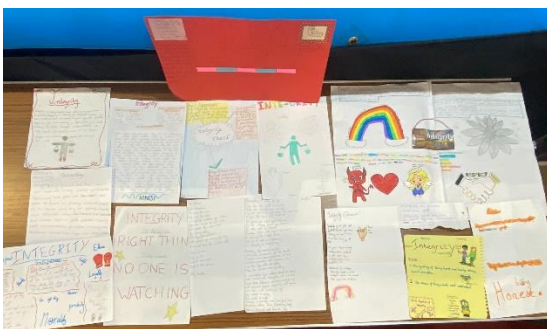

We have identified a range of issues which have been raised by the local community.

St. Martin's School Boxing

St. Martin's have recently finished their 6-week boxing course. During the course they learnt new boxing skills along with vital life skills. As part of a project, each week the pupils are asked to design a piece of work to promote their understanding of the words, such as 'Respect' and 'Adversity'.

A lot of great work has been achieved by all students. A massive well done to all!

Burglary and Theft Offences By Ward

Throughout March a total of 8 Theft and Burglary offences have been committed within our area.

Ward	Amount	Office Type
