Joint Party

Iris Lloyd and Sally Nichol would like to thank everyone who came and made their 70th and 60th birthday party so enjoyable and also to thank them for their kindness and generosity. £550 was donated to the Starlight Children's Foundation. Donations totalling £290 were also made towards a defibrillator for installation at the village hall.

Party-goers were entertained by the inaugural appearance of OGD (Old Gits Disco) provided and run by Geoff Nichol. The equipment, including lights and moving pictures, was impressive and the choice of music excellent for the occasion. Could this be the start of a new era in music at the hall?

Local News

A very warm welcome is given to Kellie and Dan Graves and their children, McKinley and Cameron, who have moved into King's Thorn and we trust that they will soon settle in their new home and be happy in the community. McKinley and Cameron will start at Much Birch School in the autumn term.

Dr. Michael Davies wishes to thank all those who sent cards and good wishes on his retirement and especially for the generous donations for St. Michael's Hospice which totalled over £3000. We wish Michael a long and happy retirement after more than 30 years of excellent service to these parishes and the surrounding area.

Congratulations are extended to Gillian Brimacombe for over 35 years service as the local organiser for the Royal British Legion's Poppy Day Appeal. Sadly, she is having to retire from this position but we thank her for her outstanding duty. Congratulations also to Jessica Hodges who has been accepted for a course at Wolverhampton University starting in the autumn.

Sadly, the death of Mr. Owen Davies of Much Dewchurch has occurred at the age of 93 years. Owen ran the Forge at Much Dewchurch for over 30 years and maybe more. He was a wonderful gardener and was very generous with his produce and plants. He was a member of King's Thorn and Little Birch Gardening Club for over 20 years and regularly exhibited at the Annual Show, winning many prizes. He will be sorely missed! We extend to Fleur and daughters, Katie and Zara and her family, our deepest sympathy.

It is also sad to note the death of Mrs. Edith Lea of Wrigglebrook and we send to her family our sincere condolences.

Request from David Harlow

The Newsletter received an email from our new Conservative Ward Councillor that included the following,....

One of the most consistent pieces of feedback I heard whilst canvassing for the election was that people hear very little from politicians between elections. I'd very much like to change this by being more accessible to the people of Birch. My role is to be a link between Herefordshire county council and the people/ parishes of the area. The next four years will be a time of reducing budgets but I believe that parishes will play a vital role in keeping the community together. I'd very much like to see an increase in the power and profile of local parishes and to get more people involved in parish councils as the first rung of our democracy. I'm writing to you in your capacity as editor of the community magazine to see if I could write a regular column for the magazine keeping the readership abreast of what is going on in Hereford as so much of what we do will affect them.

Policy in the past was not to publish submissions from politicians. Producers of the Newsletter would now like to hear from readers if they think that this policy should be re-considered. Please give your opinion by email to birchesnews@gmail.com

Scams

A reader has asked me to share the following details regarding an incident that happened to a friend in Hereford -

A friend of mine was robbed recently in town, it was obviously well planned – she had just put her bag in her car in Waitrose car park and she saw a man who seemed distressed – he said he wanted to get to the hospital and needed directions but wanted her to draw a map as his

English wasn't good. He obviously had an accomplice as her bank cards were taken while she was busy giving him a map. I just thought people should be aware. They had obviously watched her using her card as they used her pin to withdraw fairly large amounts of money.

The below link will take you to a very useful guide to avoiding all manner of scams produced by the Metropolitan Police recently. It takes a minute to download but is well worth looking at.

Neighbourhood Watch

I have been asked to circulate the following information by Inspector Barnett..

I would like to update you on a new initiative that your local Police, in Herefordshire, are undertaking. The initiative is the employment of a dedicated Watch Scheme Coordinator. This new post has been possible because of a ground breaking partnership with Ross on Wye NFU Mutual and has been funded by West Mercia Police, Police and Crime Commissioner's Rural Crime Fund. Mr Paul Crumpton is the new Watch Coordinator. He can be contacted by email at paul.crumpton@westmercia.pnn.police.uk or by telephone on 01905 727402 or through our switchboard on 101 extension 67102. Please contact him if you are currently in a Watch Scheme, interested in starting one or just want some more information before making a decision.

National Rural Crime Survey

What are your views on police response in your area? How does crime and the fear of crime impact your community?

Are you concerned about threats to wildlife? Give us your views on policing and crime and help us protect rural areas.

In response to concerns from people living and working in rural areas, the National Rural Crime Network is launching the biggest ever survey of rural policing and crime.

In the face of shrinking budgets, it is important for us to better understand your experiences of policing and crime in your area. Have you suffered financial loss, been concerned or worried about safety or feel the focus is

generally on urban areas? You don't need to tell us who you are, you can complete the survey anonymously.

If your answer is yes, then please complete our survey.

Our aim is to use the results of the survey to **improve awareness of crime in rural areas and encourage crime prevention, inform government policy and help ensure funding is not disproportionately lost from rural areas.** The results from the survey will inform the police and their partners in their work, helping to ensure the **right services and resources are available to rural communities.**

We can only do this with your help.

For the 10-15 minutes it will take, **your response will make a difference** to policing, crime and community safety in rural areas. If you want to, you can complete the survey anonymously.

To start the survey, click on the link below.
