Seasonal Flu Clinics 2021

All patients over the age of 50 will be eligible for a flu vaccination this year, as well as those patients under 50 who have certain underlying health conditions. More information regarding the seasonal flu vaccine can be found at www.NHS.net

As you may have seen in the media, there has been a delay in the delivery of the Seasonal Flu Vaccinations to GP surgeries. Therefore our flu clinics that were due to commence in September have been slightly delayed. Our first clinic will now take place on **Saturday 2 October**. Those patients invited to this clinic will receive their invite letters during week ending 17 September.

Further clinics will take place on **Saturday 23 October** and in early November, following further deliveries of vaccines. Patients invited to these clinics will receive their invite letters by 10 October.

Please wait for your invite letter before attending. Please make sure you bring your letter with you on the day and arrive at the time slot advised on the letter.

Covid-19 Vaccination Boosters

At the time of writing, we are still awaiting guidance on when and how the covid-19 booster vaccinations will be administered. An announcement has been made that those at risk and those over 50 will be offered the booster. When we have more information we will update our website and facebook page.

Dispensary Collections

Please always allow at least 72 hours (3 working days) when ordering your repeat medication. During our current staff shortages it may take up to 5 working days to dispense. If possible please allow a little extra time when ordering.

Following feedback from patients, we have erected a shelter for patients to stand under when queuing at the dispensary collection point. We hope this will improve the patient experience when collecting medications during the winter months.

Litter Picking

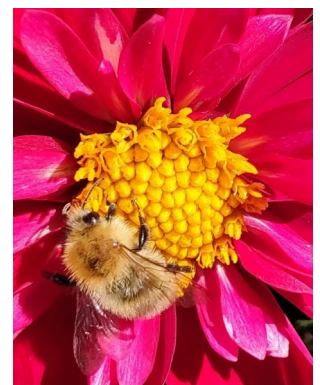

I know there are some wonderful individuals who get out there regularly collecting litter in their area. Last week I noticed a woman picking up cans from the edge of the A466 near Wormelow. During the spring there was a great deal of litter picking locally with lots of us clearing litter locally in Kingsthorpe, Little Birch, Bogmarsh, Much Birch, Wormelow and Much Dewchurch and across the county with many, many purple bags filled. Individuals, whole families and groups all did a wonderful job of cleaning up the area. Some felt that they were doing "archaeological" litter picks, pulling ancient rubbish buried deep in roadside ditches and improving the look of the lanes!

Sophie Morgan was out daily with her boys, Dylan and Owen.

"Litter picking makes me happy and proud of myself because we are helping the community," said Sophie. "There is very much a sense of satisfaction filling the purple bags. The beeps from the vehicles, people waving from within and the kind community gestures have been very much appreciated."

If you would like to get involved with clearing litter this autumn you can order litter picking sticks and rubbish bags and find out about group litter picks at www.herefordshire.gov.uk/stopthedrop. Elisabeth in Little Birch also has some litterpickers that you can borrow. 07854 629193.

HISTORY WALK - Sunday 12 September - led by Alison Clarke

Our walk started in Parish Field where we heard about Little Birch Common, Enclosure Acts, squatters, drift-ways, carriageways, and much more. Stopping along the way we learnt of the ecclesiastical architect MrW Chick who designed Model Cottages, all about the old school, the old Wesleyan Chapel now Saddlebow View. Then into Athelstan's Wood to see evidence of charcoal burners.

Next, we walked on to Little Birch church. Here we heard how it was rebuilt (with a less draughty porch!) and its current ancient font was discovered in a local villager's garden with potatoes in it! Then on to Higgins Well, where Alison told an amusing story about what forced Higgins to build it. Finally, we learned why the Holy Thorn was considered holy and how Conan Doyle visited Castle Nibole. The walk was rounded off with a welcome cup of tea at the Village Hall.

Thank you Alison, for such a fascinating and enjoyable history tour of Little Birch.

Who owns the land?

It is an interesting question because it strikes at the very heart of our legal system. When the first settlers to this area, back in the Bronze Age some 5000 years ago, they were only at the start of agriculture. People mostly lived off the land hunting and gathering until the idea of planting and harvesting crops became important because then it was vital that you protected the land you had worked hard to clear.

Tribes have come and gone, families have risen and fallen, the Romans came and went! In mediaeval times, land started to become much more regulated – people started to have deeds that said they had “rights” to certain bits of land and, of course, the majority of us didn’t have much but worked a feudal system.

Since then, of course, things have moved on again, we have maps and land registry services and all of that to sort out where the boundaries of your house and garden start and finish. May be you will pass on your home to your children (or maybe it will be sold to pay for your care in old age!).

In the Old Testament, the land belonged to God and humanity were stewards of it – a very different understanding of ownership. It meant that the land was left fallow every seventh year but also, if you fell on hard times, you could “sell” your land to your neighbour but it would be restored to you every 7th year – that way you always had the hope that you could start again. For an agrarian community, it was a way to make sure that no farmer got too big! Not sure that would go down so well these days.

However, as Christians, we believe that we are stewards of God’s creation, both the land and all that lives on it. We have a duty of care to the land – it is “holy” perhaps we might use the word “sacred” – so that all creation might flourish. As climate heating threatens the very land we live on and the land we are called to protect, a chance in the way we live is vital.

Revd Mark

Victor Townsend

Many of us were sad to hear about the death of Victor Townsend last month. Victor has been around the village a long time and will be remembered as a man who was always cheerful and kind to those around him. He did not let the problems of life overwhelm him! He was, for many years, a motor mechanic at Johnson’s Garage in town but loved living in the countryside. After retirement, he would often be seen around the village walking and following the farming seasons with great interest. It was only in the last few months he moved into a home to be cared for.

John Bryant.

We sadly have to report the passing of John Bryant on Monday the 6th September. For years, John, together with the support of his lovely wife Betty, was at the heart of the community. His work at St. Mary's, Little Birch, the village hall and numerous committees on which he sat and his service to the community was recognised by the awarding of the British Empire Medal. We will miss you John, we have all benefitted from knowing you and are richer for it.

65th Wedding Anniversary.—from Bob and Ros Preece

The 1st of September was our 65th Wedding Anniversary. There was a card from the Queen as Buckingham Palace office had contacted us to ask if we would like a message, as we had done for our 60th Diamond Anniversary. Her Majesty's 'photos are always beautiful; and it is an honour to receive Royal congratulations.

In the afternoon we were treated to a surprise party at "The Nightmare" Bar in Little Birch. The decorations and flowers were all blue, as 65th years is blue Sapphire anniversary—we were even given a blue moth orchid!

The food was very good and the bar first class.

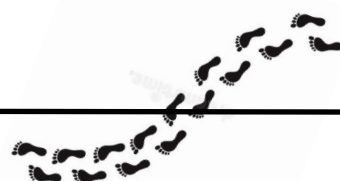

We would like to thank Sandra, Rob and Bekki Cameron for all their hard work who made it such an enjoyable afternoon

Little Birch Grand Garden Fete

Thank you to John and Kate Dillon for hosting this hugely successful event at their lovely home, Castle Nibole. Thank you to everybody who helped to sell raffle tickets, helped on the day and donated prizes. Thanks to Sue and Andy at the Axe and Cleaver for a Sunday lunch for two and for the beautiful plants from Allensmore Nursery.

After missing out last year, we were worried that people would still be wary about attending the fete because of the pandemic. The sun came out for what seemed the first time in weeks and the village turned out for a wonderful afternoon. It was lovely to see people catching up with old friends, lots of young couples with their children and an atmosphere of hope and happiness for the future. Thank you all for coming, we raised a much needed £1800 for the church and we could not have done it without you. During these difficult times we have said, almost on a daily basis, how lucky we are living here, of course we are, why would you want to be anywhere else.

Thank you all once again, From everybody at St. Mary's, Little Birch.
