LOCAL NEWS

Congratulations go to Ros and Bob Preece of Kings Thorn who celebrated their Diamond Wedding Anniversary on 1st September with a romantic dinner for two. They knew a special party had been arranged by the family for Saturday 3rd. At this party they were able to show everyone the Congratulations Card and photograph from Her Majesty The Queen.

Congratulations also go to Lucy and David Cook on the birth of their son, Jacob, a brother for Elizabeth and Reuben. Jacob weighed in at 8lb. (3.6kg)

A warm welcome to the community is given to Gerry (Geraldine) and John Borrow who recently moved into Kings Thorn and we trust they will settle into their new home and make new friends.

It is sad to report the closing down of the Evergreen Club which has been running for the past 38 years. Bridget Banks and Evelyn Vaughan - Williams have given outstanding service for the past 12 years and have arranged a series of outings (visited by them beforehand) which have been much appreciated by the members. Unfortunately no one has come forward to take on the running of the club.

We are also sad to report the passing of Mrs Sylvia Atkinson after a very long illness. She was extremely well cared for by the staff at Westbank in Ross on Wye. We extend to the Atkinson family our deepest sympathy. A fuller tribute will be given in the December Newsletter.

A Note from Miss Rosemary Rigby MBE

On Nov. 6th. in spite of cold and wet weather, children from Much Birch School laid a wreath at the World War One commemorative tree planted last on the Rosemary Rigby Millennium Green.

Rev. Mark Johnson conducted the ceremony and the year six pupils were accompanied by Head Teacher, Mrs Bernie Davies and Mrs Sasha Davidson. Before laying the wreath, four pupils recited poems they had written to mark the occasion.

Mr. Keith James of Tump Lane told the scholars his great uncle's story. Scots Guard Company Sergeant Major Charles Lilley had married in September 1914 and within

three weeks had been posted to France. He was killed in action just before Christmas 1914. His body and those of four fellow soldiers were found in a ditch some 43 years later and reburied in the London Military Cemetery in France.

After an early morning start and a long trip, Mr. Frederick Pearson, Drum Major of the Epping Forest Pipe Band, laid a wreath to the memory of Violette Szabo GC and former serviceman, Mr Trevor Forrester laid a wreath on behalf of the Pilgrim Hotel.

Veteran of the Normandy landings in World War 2, Mr Peter Davies gave the 'Remembrance exhortation' and told the pupils of his hopes that they would never know war but would live always in peace.

The ceremony concluded when Miss Rigby gave each child a bookmark from the museum and Trevor Forrester handed out hot chocolate and homemade biscuits from the kitchens of the Pilgrim Hotel.

MARS is a registered charity that exists in order to deliver enhanced immediate medical care to the people of Herefordshire and Worcestershire.

Funded by charitable donation, used for the continued training and development of its members, together with the supply of medical and protective equipment – MARS is formed by a dedicated team of eleven doctors, two advanced nurse practitioners and five trainees. WMAS NHS Trust provides some disposable equipment for MARS, and Worcestershire PCT provides funding for some of the charity's drugs, however the bulk of the equipment is still funded through donations.

History Group

1. Rhys Griffiths from the Resources and Archive Centre, Rotherwas, gave an excellent well-attended talk on **Maps of Herefordshire** at Little Birch Village Hall on October 13th. He explained how maps were produced from the earliest times for military and other purposes, about the old maps in the centre and their conservation.

Included in the talk was a description of the method used to prepare a remarkably accurate and one of the oldest maps of the city of Hereford. It was done by taking sightings from the cathedral tower and measuring distances by paces. Remarkably the working document used to make the map, including sketches of churches, city gates and the Wye bridge still exists (though not in Hereford).

Anyone is welcome to visit the centre to view and study the maps, many of which can also be viewed on the Internet.

(The centre also stages exhibitions that are changed regularly.)

2. A few copies of the book **Little Birch on Aconbury Hill** A History of the Parish and its People, compiled by the Little Birch and King's Thorn History Group are still available. They can be obtained for £10 by contacting Alison Clarke on 540791.

Parish Field

Parish field has just had its annual trim to prepare it for the winter. Hopefully next year will be as colourful as this has been. Despite the fact that it looks 'wild' it does require a certain amount of attention through the year. Several people give of their time but thanks are particularly due to Alan Burge and Roisin who often carry out various jobs like planting, trimming etc. Thanks are also due to Terry Rogers who kindly mows round the seat and a path round the field. Thanks in addition to the trimming team, Mike Morley, Derek Scrivens and Alan Burge and to the clearer-uppers.

If you would like to volunteer to help out occasionally on the field please let one of us know

About your team

Safer Neighbourhood Teams work with local people and partners to identify, tackle and solve issues that matter to the community where you live.

Making neighbourhoods safer by cutting day to day crime and anti-social behaviour is at the heart of keeping people in West Mercia safe. Thanks to an investment in mobile tablet style computers, these will enable officers to spend more time on patrol on the street and in neighbourhoods.

Officers will continue to come to people when they need them and provide a high quality service however you contact us - in person (on the street, at community bases and at partners and communities together [PACT] meetings), on the phone or online.

A seasonal reminder about bonfire party/firework safety, ten tips to help you enjoy your celebrations (source: RoSPA, safer fireworks)

- ♦ Plan your firework display to make it safe and enjoyable.
- ♦ Keep fireworks in a closed box and use them one at a time.
- ♦ Read and follow the instructions on each firework using a torch if necessary.
- ♦ Light the firework at arm's length with a taper and stand well back.
- ♦ Keep naked flames, including cigarettes, away from fireworks.
- ♦ Never return to a firework once it has been lit.
- ♦ Don't put fireworks in pockets and never throw them.
- ♦ Direct any rocket fireworks well away from spectators.
- ♦ Never use paraffin or petrol on a bonfire.
- ♦ Make sure that the fire is out and surroundings are made safe before leaving.

The next ordinary meeting of the Parish Council will be held on **Thursday 2nd November October 2016 from 7.30pm** - at The Much Birch Community Hall.

Please see notice boards and website for agendas. As always the public and press are more than welcome to attend and will have the opportunity to speak directly to their representatives.
